

How to Use OrbisStore - BUYER

BUYER – Detailed Search

- You can conduct detailed search based on different criteria
 - ✓ Product Details
 - ✓ Posting Details
 - ✓ Delivery Details

The screenshot displays the ChemOrbis Buyer Detailed Search interface, which is divided into three main sections: Product Details, Posting Details, and Delivery Details.

Product Details: This section includes a message: "You can only see the products with active postings. Click here to see a list of all products which can be traded on OrbisStore." Below this, there are three columns of filters: "Product Group" (with a dropdown set to "-- All --"), "Product" (listing MDPE Pipe, PP Homopolymer Raffia, ABS Extrusion (White), and ABS Extrusion (Black)), and "Quality" (listing Near to Prime, Off-spec, Others, Prime, Regrind, and Wide-spec). A "Product Origin" dropdown is also present, showing Afghanistan, Albania, and Algeria. A "Search" button is located at the bottom right of this section.

Posting Details: This section contains filters for "Posting Type" (dropdown set to "-- All --"), "Currency" (dropdown set to "-- All --"), "Price Range" (input fields with operators "<=", "*", "<="), "Unit Of Measure" (dropdown set to "-- All --"), "Quantity Range" (input fields with operators "<=", "*", "<="), and "Trading Type" (radio buttons for Local, International, and Both, with Both selected).

Delivery Details: This section includes "I am looking for;" (radio buttons for "Products available at my delivery location" and "Products available at my delivery location", with Both selected), "Prompt" (radio buttons for Yes and No, with Yes selected), "Shipment Date" (Earliest and Latest date pickers), "Country" (dropdown set to "All Countries"), "State/Province" (dropdown set to "All States/Provinces"), "City" (dropdown set to "All Cities"), and "Selected Cities" (a list of cities with navigation buttons: >>, >, <, <<).

BUYER – Storefront List

- Buyers can view all sellers under Storefronts List
- Seller companies are listed based on their package priority.
- Companies with same package are differentiated based on their transaction history i.e. the number postings they created on OrbisStore.

The screenshot displays the 'BUYERS' section of the ChemOrbis website. The navigation bar includes 'WELCOME', 'SELLERS', 'BUYERS', 'HELP', a 'Search Now' button, and the website URL 'www.chemorbis.com'. The 'BUYERS' section features a sidebar with navigation options: 'Storefronts', 'Advanced Search', 'My Requests', 'My Markets', 'Storefront Owner Application', and 'User Operations'. The main content area, titled 'Storefronts', contains a message: 'All active storefronts are listed below. You can view the stores that sell to specific markets by searching for the market in question. For detailed information about any storefront, please click on the seller name.' Below this is a search filter with dropdown menus for 'Search by Market', 'Company Type', 'Storefront Status', and 'New Arrivals'. The list of storefronts includes:
